

KOREA IMPORT FAIR 2024

July 4th – July 6th, 2024, COEX, Seoul

I. BACKGROUND

As the world's only import-specialized economic institution worthy of its status as a global leader, Korea Importers Association (KOIMA) has the ability to expand and balance trade and solve global supply chain issues. Korea Importers Association is pleased to announce that the 20th Korea Import Fair will be open from June 29th to July 1st. The Korea Importers Association has decided to change the name of "The Import Good Fair" to "**The Korea Import Fair**" as of 2023 to secure the stable supply of excellent raw and subsidiary materials for the expansion of trade and enhance the import competitiveness of Korea.

The Korea Import Fair was first organized in 2003 and has achieved global recognition, as the fair is designed to speak about Korea's import trading from the world market. The organizer KOIMA cordially invites foreign exporters who are interested in showcasing global products as well as Korean importers who are anxious to explore business opportunities with the foreign exporters at the fair.

II. OBJECTIVES

The Korea Importers Association (KOIMA) will provide opportunities for matchmaking, business exchanges, and the conclusion of business and investment deals. (Business-to-Business and Business-to-Government)

At the site, KOIMA will provide a 'B2B Room' for your matchmaking meetings with Korean importers during the exhibition. The organizer KOIMA is confident to introduce this Show, as the most reputable and respected exhibition in Korea, to support your export to Korea.

III. PARTICIPATION

The Trade Fair will showcase 200 exhibitors from small, medium, and large businesses from all locations of the world and it is expected that 8,000 people will attend the trade fair. In 2024, many participants and visitors related to raw materials are expected.

IV. EXPECTED OUTCOMES

This 'Korea Import Fair' will enhance your market access. You will find the pathway to enter the Korean market for your export. Come and join us with your precious products to attract Korean consumers. You will experience Korea and enjoy your business.

V. DATES AND LOCATION

The Korea Importers Association is willing to hold the event from the 4th July -6th July, 2024 and the proposed location for the trade fair is the COEX Exhibition Hall B, Seoul. A Steering Committee has been formed and includes the Chamber of Commerce, the government, private sector partners, and so on.
